Summary Econ Minor:									
101, 102, "any 2 out of 3" [205, 206, 249] + any 2 electives (+ Math 131)									
NOTE THAT 12 CREDITS MUST BE TAKEN AT QC									
*2 out of 3 are required for the MINOR in Economics . Since 249 is already required for accounting majors, and there is an ELECTIVE "B" for Econ/Bus, select ECON 205 or 206 for the "B" elective slot to complete this part of the minor requirement. Then there are two more electives to take for the minor. You may use Econ 215 and Bus 241									
(already required for accounting majors) and you have completed the ECON minor requirements.
